When you enter this competition, we will collect the information you supply on this form, which may be shared with tournament organisers, stored in the scoring application and some of it will be shared with other competitors, for example: target lists and results sheets will be published showing First name, Surname, Gender, Bow Style, Age category and Club name.

A record of attendees contact details will be kept for Track and Trace purposes should anyone test positive for Covid-19 within 14 days of the tournament

You should ask yourself the following questions before attending: Do you have a high temperature? Do you have a new, continuous cough? Do you have a loss of, or change to, your sense of smell or taste? Are you in a household or bubble with someone who has tested positive for Covid-19 in the past 14 days? Are you in a lockdown area? If you answer 'yes' to any of these, then you should not attend the competition.

Please travel to the event alone. Spectators/coaches/drivers will not be allowed on the field of play and must stay by their cars. This is to meet AGB/government guidelines for groups of people and social distancing on the Field of Play particularly.

There will be no refreshments or food provided this year, we will also look to 'shoot through' with just a short break, so please bring any food, hot/cold drinks, etc with you.

There is a chance that a Government lockdown may come into effect, so be prepared in case we need to cancel the Clout at the last minute.

Awards for County and Visitor awards for recurve, barebow, compound and longbow according to entry. There will be no awards ceremony, all medals will be posted.

Archery GB membership cards will be inspected at registration.

Per the provisions of Archery GB Protection of Children and Vulnerable Adults Policy, those who wish to take photographs at this event are required to register with the tournament organiser
